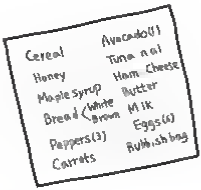
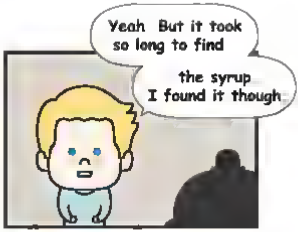
Well done

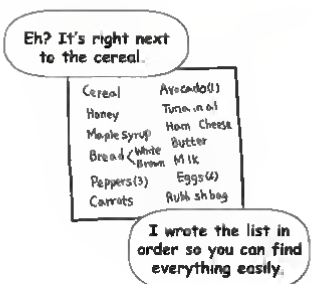
Sometimes,
Mev goes shopping without me.



Then I write a shopping list for him.



Yeah But it took so long to find
the syrup I found it though.



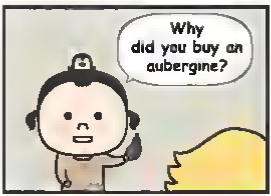
Eh? It's right next to the cereal.
Cereal
Honey
Maple Syrup
Bread (White Brown
Peppers(3)
Carrots
Avocado(1)
Tuna in oil
Ham Cheese
Butter
Milk
Eggs(4)
Rubbish bag
I wrote the list in order so you can find everything easily.

But I always feel a kind of nervous when he goes shopping alone.

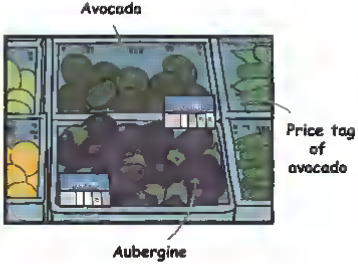
Because.....

OK I'm going to eat avocado on toast.
Shall I take all of these out of the bag?

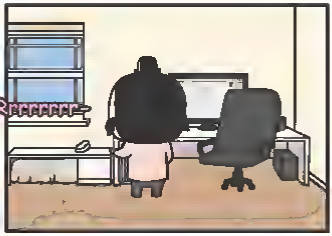
Eh? Mev.



Why did you buy an aubergine?



It happens all the time.



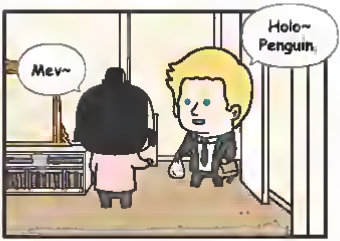
Last Friday.

I asked Mev to buy me some female products.

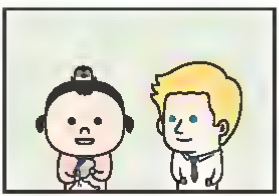
But- I don't know which ones to buy. Hang on. I'll go to that section first.
He ha. Don't worry. That shop has only 2-3 different types.

Are you there? OK. It's...
a green package. Find one that says 'normal'. Got it?

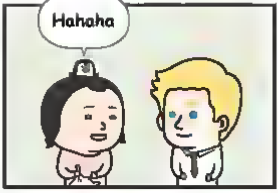
In a while.



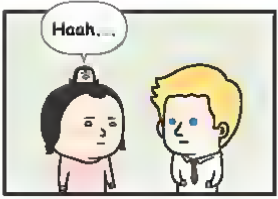
Mev came back home.



PUHAHAHAHA.



Hahaha



Haah....

Urinary incontinence pads.

I'm silly.
